SUNSTROKE in Battle.

J. L. SPENCER, f Platteville, Wis., formerly of Co. G. 37th become Infty., has suffered many years om the result of a sunstrole. He has ound relief and desires to tell his story for ne good of other veterans. He says:

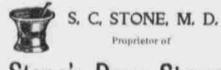

"At Petersburg I was sunstruck and carried off the field for dead. Later rheumatism of my heart developed as a result and physicians failed to benefit me. In the spring of '95 I began using Dr. Miles' Heart Cure and Dr. Miles' Nervine and now my health is better than for 30 years before."

CURRENT EVENTS.

The steamer Diana left Sidney, Nova Scotia, July 20, for the far north bearing the party of scientists composing the Peary relief expedition. The party carries abundant supplies for Lieutenant Peary, who is supposed to be on the ter than the glorious Spring western coast of Greenland, and will time that moves all verdure to bring back a report of his work during life and brings around the day the past twelve months.

Occupying a luxuriously furnished parlor car attached to the westbound an opportunity to cleanse their New York central train which left New blood and thus put into opera-York City Thursday were Alfred Gynne Vanderbilt and his young friends, who propose to spend the next twelve months that is possible. Everybody encircling the globe. The itinerary naturally turns to America's takes the young men across the contin ent to Vancouver, where they will take steamer for the Orient. After visiting Hood's Sarsaparilla, to prepare themthe varirous Eastern countries they will go to Africa and hunt the big game in Abyssinia. The last four months before

for this evening and for which invitations have been issued to a distinguished company. The musical world is loud in its praises of the young American girl who has achieved such unprecedented success almost before she has reached her twentieth birthday.

Blood Poison—"I lived in a bed of fire for years owing to blood poisoning that for lowed small pox. It broke out all over my body, itching intensely. Tried doctors and hospitals in vain. I tried Rood's Sarsaparilla, It helped. I kept at it and was entirely cured. I could go on the housetops and shout about it." Mrs. J. T. Williams, Carbondale, Pa. er twentieth birthday.

The fourth international conference of the Epworth League, at Indianapolis, me so after spending over \$60 in medical attendance. My trouble was a raw sore on my ankle." Mas. Louisa Mason, Court gatherings of the great organizations, both as to the number of delegates and visitors in attendance and the enthusiasm shown in the opening rallies. All sections of this country and of Canada are represented in the hosts of young are represented in the hosts of the are represented in the hosts of young people who throng the streets of Indiana's capital today. Besides the 25,000 delegates there is almost as many visitors with credentials, the latter including several prominent divines and laymen of the Methodist church, who figure in the list of the speakers.

The Pacific coast appears to have a good chance of capturing the convention of the League to be held two years tence. San Francisco has sent a big delegation to bid for the gathering and it is understood to have the support of numerous delegations from other sec-

Taking into consideration the fact that the Epworth League, as an organization, has but a decade of existence, the showing made at the present conference is little less than marvelous. The organization was given birth at a heater. The fire was immediately exconference of young Methodists held in Cleveland in 1889, Before the Cleveof them united and started this big organization. The Methodist church South also entered the new movement with enthusiasm, and at Memphis in 1800 organization.

Hay Crop the Best in Years. INDEPENDENCE, Or., July 21.—The friends. To the fact that the finest pictures in farmers of Polk county are now all busy cutting their grain. They have just finished cutting hay. Hay this season is a much better crop than for several years past, and the price is low. It can be purchased for \$4 per ton delivered; clover hay is \$3.50 per ton in the field. For the first time clover hay is quite plentiful in this country. Two crops can be secured, and it is much heavier than other hay, which makes it much more profitable than hay raised heretofore. The wheat crop is in fine condition, through the yield will be a little short of last year's. The in-
